

Request for Qualifications
PROSPECTUS FOR CONSULTANT SERVICES
Spokane International Airport
Parking and Road Improvements Project
Project #08-11

The Spokane Airports Board invites the submittal of written Statements of Qualifications from qualified professional design firms interested in providing consulting services for the Spokane International Airport Parking and Road Improvements.

In an effort to improve the safety and efficiency of the parking and road circulation at Spokane International Airport professional services are required for the design and construction support of the Parking and Road Improvements Project. The work includes but is not limited to the following: New Revenue Control System; Reconstruction of Tower Road for new Parking Toll Plaza; Construction of two new roads North and west of the Ramada; Reconfiguration of Tower Road and the Outbound lanes of West Airport Drive; Demolition of part of McFarland and construction of additional Parking SW of the Ramada; Consolidate Concourse C Parking Lot with new Parking Lot access on Tower Road; New utility corridors for communications and power.

RFQ packages may be obtained from the Spokane International Airport Engineering Office located at the street address listed below between the hours of 8:00 a.m. to noon and 1:00 p.m. to 4:30 p.m. The RFQ package is also available on the Airport's web site: www.spokaneairports.net To request a copy by mail please call Sue Potter at (509) 455-6414.

The Airport intends to conduct a pre-proposal conference to answer questions regarding this solicitation on Thursday, June 26, 2008 from 1:30 PM. – 3:00 PM. in the Board Room, Airport Offices. Interested firms are encouraged to send written questions to Teresa Eckard, Project Manager (facsimiles accepted at 509-455-6492, e-mails at tfeckard@spokaneairports.net) prior to the meeting.

The Airport must receive six (6) copies of each firm's response no later than **2 p.m. PDT on July 7, 2008** at the address below. Responses sent by U.S. Mail must be received by the Airport by the deadline stated above. Faxed or e-mailed responses will not be accepted.

Spokane International Airport
Attention: Sue Potter
9000 W. Airport Dr. Suite 204
Spokane, WA 99224

The Airport reserves the sole right to evaluate responses submitted, waive any irregularity therein, select the firm, and/or reject any and all firms that submit responses, should such action be deemed in the best interests of the Airport.

Dated: June 13, 2008

Questions should be directed to Teresa Eckard at tfeckard@spokaneairports.net or faxed to (509) 455-6492. Dates of Publication: **June 18, 20, 22, 25, 27, 29, 2008**
